

# 2025 IMPACT

## Recovering Local Food Strengthening Communities

-  **401,021** pounds of local food recovered
-  Distributed **335,018** meal equivalents to over **150** partner agencies
-  Received donations from **82** farms and growers
-  Mobilized over **100** volunteers
-  Increased access to **diverse healthy local food - fruit, vegetables, dairy, and eggs**
-  Avoided 13.02 metric tons of CO<sub>2</sub>e emissions

### Growing the Opportunity

There is more healthy food to recover!

#### Looking Ahead

-  **Expand farm participation**
-  **Strengthen volunteer recruitment and retention**
-  **Build regional capacity and infrastructure**
-  **Improve impact tracking and increase public awareness**

Thank you to our farm and garden partners, volunteers, funders, and supporters across New Hampshire. Together, you help transform surplus food into nourishment, strengthen local food access, and build healthier, more resilient communities. Learn more and get involved.
